

Goldcover

..... Hot stamping machine

PALMPRESS 01

HOT STAMPING FOR EVERYBODY!

Probably **the only** hot stamping machine
of such type **in the world!**

Extremely small and light.

All GOLDCOVER fonts can be used - the same
as with Goldcover 4+ machine.

Designed to stamp on OPUS CDcover cases
(see www.cdcover.pl)

- Easy installation
of logos on heating head.
- Stamps on most types
of binding covers
and on variety of materials.
