

**EPSON**<sup>®</sup>  
EXCEED YOUR VISION

## Epson Stylus Pro 4450

**A2+/17" production printer offering quality, reliability and value**

Discover the potential of larger format in-house printing and improved productivity. Combine superb, consistent colour from Epson UltraChrome™ ink with speed, simple operation and a low cost per page.

From colour promotional materials to precise line drawings, this 4-colour printer produces superb results quickly and easily. Epson UltraChrome ink produces vivid colours with consistent quality that lasts for decades.

Improved productivity is provided by fast print speed, high reliability and a choice of cut sheet, roll paper and manually fed media up to 1.5 mm thick. Also, with high capacity ink cartridges, you can print overnight with confidence.

**Produce superb results in-house** – speed, reliability and consistent quality with total control

**Colour consistency** – Epson UltraChrome ink produces vivid, long lasting results time after time

**Skilled operator not needed** – enjoy the user friendliness of our consumer range in our professional printers

**Improve your productivity** – high print speeds for fast results, and excellent reliability for overnight printing

**Versatile media handling** – roll paper, cut sheet magazine and manual feeds suit a range of jobs

**Take control centrally** – optional software enables remote printing from one location to several printers

**Acclaimed Epson technologies** – enjoy compatibility in technology across the Epson large format range

### Key benefits:

- High performance, true in-house A2+/17" production printer
- Consistent quality from Epson UltraChrome ink
- Ideal for corporate/POS, CAD/GIS and even screen printing\*
- Combine high productivity, simplicity and low cost per page
