Epson  
Stylus Pro 7450

## Fast, consistent, high-quality A1/24" production printer

The ideal printer to bring professional printing in-house. Combines high speed and reliability for improved productivity and throughput. Includes Epson UltraChrome™ ink for truly outstanding, consistent colour.

This printer satisfies the exacting demands of graphics or point-of-sale printing and even mask making\*. It's versatile and consistently professional, with Epson UltraChrome ink to ensure superb, repeatable, long-lasting quality.

The 4-colour inks are fed through a full 8-channel, double-nozzle ink supply, for both speed and overnight reliability. And because the printer's so easy to use, you don't need to be a specialist to get expert results.

**Produce superb results in-house** – speed, reliability and consistent quality with total control

**Colour consistency** – Epson UltraChrome ink produces vivid, long lasting results time after time

**4-colour inks, 8 channels** – high speed, cost-effective ink system with two nozzles per colour

**Skilled operator not needed** – enjoy the user friendliness of our consumer range in our professional printers

**Improve your productivity** – high print speeds for fast results and excellent reliability for overnight printing

**Central control** – optional software enables remote printing from one location to several printers

**Compatibility across the Epson range** – achieve consistent results with different printers
